Do you want to become a part of your Community Justice Committee?

You must meet these requirements:

- Be an Elder or youth
- Reside on the community
- Have a clear criminal record

BTC Justice is a group of individuals who are concerned about making their community a safe and healthy place to live. They will meet on a monthly basis and travel is also required.

We are looking for mature trustworthy, responsible individuals who are committed to helping others and making the community a safe and healthy place to live.

Be the voice of your community!
